ABOUT D.McKINSEY TRAINING

At D.McKinsey & Associates, we know that today’s successful, forward-thinking organizations recognize that achieving and sustaining a competitive advantage is contingent upon sensible investment in current and future talents. Get a head start on the competition now by investing in your employees and leaders. Let other companies wait around for better times may never arrive, not YOU!

D.McKinsey & Associates, recognizes the need to provide employees with the knowledge, skills and attitudes to enable them perform effectively. We offer a range of MANAGEMENT, TECHNICAL, QHSE AND SPECIALIZED TRAINING COURSES that are tailored to meet your organization’s specific needs and provide your people with a host of tools and techniques that will better prepare them for the continuous and diverse challenges that comes with their roles and responsibilities DAILY!

Our training programs are tailored to fit your learning requirements and budgets. Please browse our DETAILED TRAINING SCHEDULE ONLINE. Alternatively, included here are some of our integrated learning and talent development programmes that are available on request from amongst which you can select the appropriate subject to help identify which training course is right for you.

COURSE GROUP	COURSE CODE	COURSE TITLE	DURATION	FEES	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
OIL AND GAS TRAINING	CORROSION ENGINEERING															
	TOG 35	Non Destructive Test and Quality Control Workshop	5 Days	N250,000				24-28								
	TOG 36	Welding and Fitting Works Training	5 Days	N250,000				17-21			24-28			9-13		
	TOG 37	Advanced Cathodic Protection Training	5 Days	N250,000				24-28						2-6		
	TOG 38	Corrosion Control Workshop in the Oil and Gas Industry	4 Days	N200,000											15-18	
	DRILLING ENGINEERING															
	TOG 39	Basic Drilling Technology Course	4 Days	N200,000		7-10								24-27		
	TOG 40	Basic Drilling, Completion And Workover Operations Training	5 Days	N250,000				17-21				21-25			13-17	
	TOG 41	Drilling Operations Training	5 Days	N250,000				24-28		19-23				16-20		
	TOG 42	Drilling Fluids Technology Training	5 Days	N250,000		6-10					3-7			23-27		
OIL AND GAS TRAINING	TOG 43	Coiled Tubing And Its Applications Course	5 Days	N250,000				17-21				21-25				4-8
	TOG 44	Intelligent Well Systems: Design, Implementation, Analysis And Optimization	2 weeks	N500,000			6-17			12-23			4-15			
	TOG 45	Pipe Recovery, Fishing And Perforation Operations Training	5 Days	N250,000			13-17				17-21				20-24	
	TOG 46	Stuck Pipe: Causes, Prevention and Remediation	4 Days	N200,000				11-14								5-8
	TOG 47	Perforation TCP (TUBE CONVEYED PERFORATION) Course	4 Days	N200,000		21-24				6-9					7-10	
	FACILITY OPERATIONS AND MANAGEMENT															
	TOG 48	Effective Preventive & Predictive Maintenance Management Program	5 Days	N250,000		6-10							11-15			
	TOG 49	Engineering Facility And Management Training	4 Days	N200,000		7-10				20-23						4-7
	TOG 50	Facility Maintenance And Management Training	3 Days	N125,000		14-16				5-7			13-15
